

January 2012

Dear Friends,

I am writing this letter to request your assistance in helping with PAWS For Life Foundations (along with Dogspaw Ltd's) commitment to rehabilitate, provide medical treatment, and find forever homes of loving pets. However, today's tough economic conditions make it difficult for PAWS to meet those needs without help from people like you. I am writing to invite your business to donate an item or gift certificate to support our raffle.

Meet Benny, he is a former PAWS rescue. Benny was found wandering the streets of Edmonton, but was scared of people and would not come to them even when delicious treats were offered. In order to ensure Benny's safety, he was cat trapped, taken to animal control, unclaimed and then turned over to PAWS. The first sight of Benny was horrendous. Benny was a big mat of fur, starving, and in desperate need of some TLC. Benny had one enormous problem...he was terrified of people. Through the work of Dogspaw's staff and PAWS volunteers Benny has been transformed. He is now a happy go lucky dog and is enjoying his life in his fur-ever home with his other four legged brothers and sisters.
